STATEMENT OF MEDICAL NECESSITY - See requirements on Form MG-2.

Your explanation must provide the following information:
- the basis for your opinion that the medical care you propose is appropriate for the claimant and is medically necessary at this time; and
- an explanation why alternatives set forth in the Medical Treatment Guidelines are not appropriate or sufficient.

Additionally, variance requests to extend treatment beyond recommended maximum duration/frequency must include:
- a description of the functional outcomes that, as of the date of the variance request, have continued to demonstrate objective improvement from that treatment and are reasonably expected to further improve with additional treatment; and
- the specific duration or frequency of treatment for which a variance is requested.

Variance requests for treatment or testing that is not recommended or not addressed, must include:
- the signs and symptoms that have failed to improve with previous treatments provided according to the Medical Treatment Guidelines; and
- medical evidence in support of efficacy of the proposed treatment or testing- may include relevant medical literature published in recognized peer reviewed journals.
